Defect ID	Buggy_001
Defect Title	Sorting the column headers is not working properly
Detected By	RDeBorja
Date Reported	30/04/2022
Environment	https://buggy.justtestit.org Windows 10 Google Chrome (Version 100.0.4896.127)
Description	Sorting (ascending or descending) the column headers in a table is not working properly.
Functionalities Affected	a) Overall Rating page b) Car Make page
Steps to Reproduce	For Overall Rating page 1) Go to https://buggy.justtestit.org/ 2) Click the "Overall Rating" image link/box. User will be redirected to Overall List page. 3) On the table, click on the "Rank" filter column header. For Car Make page 4) Go to https://buggy.justtestit.org/ 5) Click the "Overall Rating" image link/box. 6) On the table, click on Lamborghini link under the Make column; or click on this https://buggy.justtestit.org/make/c4u1mqnarscc72is00e0 link. User will be redirected to Lamborghini Car Make page. 7) On the table, click on the "Model" or "Rank" filter column header. 8) On the table, click on the "Votes" filter column header.
Expected Results	Overall Rating page – clicking the Rank filter column header should arrange the rows on a descending ascending manner. Car Make page – clicking the Model, Rank, Votes filter column header should arrange the rows on a descending ascending manner.
Actual Results	Overall Rating page The Rank filter was sorted incorrectly – e.g. 1, 10, 11, 12… Other column header sorting is working properly – i.e. Make, Model, Votes, Engine. Car Make page Model and Rank filter column header sorting is not working at all. Votes filter column header sorting is sorting randomly.
